La pornografia è male?

- **Steve Jobs, CEO di Apple:**

“we do believe we have a moral responsibility to keep porn off the iPhone. Folks who want porn can buy and [sic] Android phone.”

Ma questa pornografia ci fa schifo.

Lolita, luce della mia vita, fuoco dei miei lombi.

Mio peccato, anima mia.

We pr0n, don't you?

pr0n is the first social add-on for [Mozilla Firefox](#) exclusively dedicated to porn!
For too many years they have told us that on-line pornography is evil, wrong and socially unacceptable.
Now we have pr0n: the first add-on completely dedicated to transforming on-line pornography in a social experience based on sharing.

Respecting of your privacy and your anonymity, let's rediscover the pleasure of sharing sites and ideas, getting the best from the web using pr0n, Mozilla Firefox and being part of a community.

Then cooperate, proposing new ideas and new features! Vote for others proposals too! Follow what is under development!

Today begins a new era for pornography.
